United Drilling Tools limited, NOIDA – Design Patent Registration

New Delhi, December 29, 2021 United Drilling Tools Ltd. (UDTL) (BSE – 522014, NSE – UNIDT) is pleased to inform that it has recently received registration for **design patents in United Kingdom** for their Multi-Start Casing Pipe Connectors, Metal to Metal Seal Casing Pipe Connectors and Weight Set Casing Pipe Connectors which is valid for a period of 5 years.

UDTL has been manufacturing & supplying these connectors with trade name as **UDT Leopard, UDT Swift and UDT Lynx connectors** from last 15 years and is the only manufacturer of these connectors in India. UDT already has a significant presence in the Indian Oil & Gas upstream segment & is a sole supplier to major Indian oil PSUs like **ONGC & OIL India**. Now the recent design patent registrations in United Kingdom will provide much greater opportunity for UDT to market & supply their products in the **global market** which is currently **approx. Rs. 5000-8000 cr.**

UDTL has also recently passed the requirement set forth for **ISO 13679-2019 CAL I**, where internal analysis is verified and evaluated by physical testing through internal and external sources. This certification has been provided by one of the world leading quality Evaluation Company which is **ABS Quality Evaluations Inc.**

UDTL is currently having almost **100% market share of Connectors for Large OD Casing Pipes** in India which means to **approx. Rs. 100-150 cr.** and with these design registrations and **compliance certificate from ABS Quality Evaluations** it has opened up the doors in the world market which is **approx Rs. 5000-8000 cr.** Thus there exist vast opportunity for UDT in the global market & in turn to the customer to have the most cost effective UDT products with global standards.

So far United Drilling Tools Ltd have **13 design patents registered, 8 in India & 5 in UK** and another 5 awaiting for registration process.. UDT has **20 registered trademarks** whereas we have also applied for **9 patents.**

About The Company

Striding successfully since 1985, from Delhi, UDT is Worldwide Leader in Connector Technology. UDTL is a leading Manufacturer of Wire line & well service equipment, Gas lift equipment, Downhole tools and large OD casing connector in the world. All the equipment can be supplied with most reliable designs and quality and are very competitively priced as compared to other suppliers. United Drilling Tools Limited is dedicated to manufacture high-quality products of field -proven test designs in conformity with international standards as per ISO 9001-2015, ISO 14001-2015, ISO 45001-2018 & API standards (API license No. 5CT-0565, 5L-0424, 7-1-0393, 19G1-0008,19G2-0010).
