United Drilling Tools Limited - Tapping into Overseas Market - Order book

New Delhi, Saturday, July 12, 2023 United Drilling Tools Ltd. (UDTL) (BSE - 522014, NSE - UNIDT) is pleased to inform that the company has been awarded an International order worth **INR 250 MN** for one of our product line i.e; **Wireline Winch** from M/s **American Completion Tools, Inc. USA (ACT)** for onward supply to M/s **Petroleos Mexicanos (PEMEX)**, a petroleum company managed and operated by the Mexican Government.

The global wireline services market size stood at US\$ 11.6 Billion in 2022. Going forward, IMARC Group expects the market to reach US\$ 16.8 Billion by 2028, exhibiting a growth rate (CAGR) of 6.12% during 2023-2028. This offers a significant opportunity to UDTL to pursue for our product line in the near future.

Earlier, UDTL had also supplied Wireline Winches in some other countries such as Malaysia, Nigeria & Vietnam etc.

Further to this, UDTL has bid for orders in the overseas market and has commenced bidding for tailor-made tenders in the Oil and Gas sector and negotiations are underway with multiple entities.

Commenting on the order book position, Shri Pramod Kumar Gupta, Chairman-cum-Managing Director said, "It is a delight to get one of the best overseas order form Mexico's state-owned M/s PEMEX, intergrated oil & gas Company.

We are expecting some other substantial orders from the international market which will help increase our global market share as well as presence in these untapped markets.

This is a major breakthrough in the international market for UDTL and it will help in introducing further products in international markets, resulting in higher growth of UDTL in the forthcoming years.

The Company continues to strengthen its position as a trusted oil drilling equipment company and still focuses on broadening it product portfolio by regular R&Ds and to stay competitive in international markets."

About UDTL

Striding successfully since 1985, based out of Noida, Uttar Pradesh, India, UDTL is a *leading Manufacturer of Wire line & well service equipment, Gas lift equipment, Downhole Tools and large OD casing pipe with connector.* All the equipments can be supplied with most reliable designs and quality and are very competitively priced as compared to other suppliers.
